

A grid of four large empty rectangular boxes, arranged in a 2x2 pattern, intended for drawing a safety diagram. Each box is defined by solid black lines.

Designated Place of Safety Diagram      Student Name \_\_\_\_\_

**Per OAC 3301-83-13**

Drivers please mark with an X the spot you have assigned as the DOP on the appropriate diagram. Label the streets and use arrows to designate the direction of the bus. Include any information that the parent may need to know (i.e. Stop sign, sidewalk, driveway, etc.) Attach this diagram to the referral.
